

SESSIONAL ULTRASONOGRAPHERS

Greater Manchester, Cheshire, Lancashire & Lincolnshire

Hours of sessions: Variable hours between of 8:30 am to 8:00 pm

Kleyn is a rapidly expanding successful independent provider of NHS healthcare services across the North West. Kleyn holds standard as well as Any Qualified Provider (AQP) NHS contracts.

Since 2014, Kleyn has been delivering services from its own state of the art Integrated Care hospital in Cheshire and is soon to start delivering services to private patients.

We are looking for experienced individuals who are enthusiastic and highly motivated to join our team of permanent and sessional Ultra-sonographers and Consultant Radiologists. You will have HPC registration and hold an appropriate post graduate qualification in medical ultrasound. Though a sessional role, you will have the support and work as part of a multidisciplinary team. It is imperative that the post holder has the capability of autonomous practice and independent Sonographer reporting.

You will be expected to perform ultrasound examinations including abdominal, general medicine, pelvis and superficial imaging. MSK ultrasound skills are an advantage.

For further information, please contact Julia Markendale on 01925 582970 or 07956 236286 or email julia.markendale@nhs.net.

To apply, please send a CV and covering letter to: Julia Markendale
